## AUTOSEAL® Travel Mug Care and Use Instructions

- Careful: The beverage you are about to enjoy is very hot. For best result always use caution.
- Keep out of reach of children when filled with hot liquids.
- To properly use your AUTOSEAL® mug:

- Prior to drinking, check to ensure the lid is properly threaded to the body and screwed down 100%. The button should be depressed to release pressure, each time the lid is screwed on
- If filling with boiling liquids, allow liquid to cool down for at least 3 minutes before sealing with the lid.
- Avoid accidental depressing of button by keeping button free and clear of other objects.
- Do not overfill. Fill liquids to just below the threading in the body.
- Do not microwave and do not freeze.
- Do not use cleaners containing bleach, chlorine, abrasive and/or other harsh chemicals.

### Usage recommendations

- Suitable for cold and hot beverages.
- The AUTOSEAL® lid that came with your new purchase is designed to only fit your new Contigo® tumbler. It is not meant to be used on any other product.
- To screw the lid on easily and safely place lid on top of mug. Apply slight downward pressure and rotate counter clockwise until you hear a click and a lid falls into place. Proceed to rotate lid clockwise to tighten down.
- In the locked position, the AUTOSEAL® button cannot be depressed. This lock feature is designed to avoid unintended depressing of the push-button when the mug is being transported full of liquid. When you turn the CLEANGUARD™ lid, the drink reservoir is covered to keep it clean while you also lock the AUTOSEAL® button.

### Cleaning Instructions

- Wash all parts with soapy water before use. Rinse thoroughly and dry. Always store with lid removed.
- Lids are Top rack dishwasher safe. Flip open the lid interior before cleaning and return lid interior to its closed position before use.
- If you have purchased a mug that has a brushed stainless steel body (not coloured or painted body) ,the body is dishwasher safe.

- If you have purchased a mug that has a coloured or painted body, it is recommended that the body be hand washed.
